Everlastingly At It Brings Success.

THE FACT that your advertisement appears con-
tinuously in a reputable newspaper stimulates
public confidence. Your place of business advan-
ces step by step in the estimation of thousands of
thousands of people who may be days or weeks in
getting around to their first purchase, but they will
come and, if treated right, will come again. The
TIMES is read by more people than any other paper
of Monett. Get wise.

DR. PRICE'S CREAM BAKING POWDER

A PURE, healthful, grape cream
of tartar powder, the only
kind that can be used with-
out impairing the healthfulness of
the food. Makes the biscuit,
cake and pastry more digestible
and wholesome. Absolutely free
from alum and phosphate of lime.

Chemical analyses show the low priced powders made
of alum to contain large quantities of sulphuric acid,
and that a portion of the alum from alum baking pow-
ders remains unchanged in the food! You cannot afford
to take alum and sulphuric acids into your stomach.

Lived 152 Years
Wm. Parr, England's oldest
man, married the third time at 120
worked in the fields till 132 and
lived 20 years longer. People should
be youthful at 80. James Wright, of
Spurlock, Ky., shows how to re-
main young. "I feel just like a 16-
year-old boy," he writes, "after
taking six bottles of Electric Bit-
ters. For thirty years Kidney
trouble made life a burden, but the
first bottle of this wonderful medi-
cine convinced me I had found the
greatest cure on earth." They're
a godsend to weak, sickly, run-
down or old people. Try them.

If your Stomach, Heart or Kid-
neys are weak, try at least a few
doses only of Dr. Shoop's Restora-
tive. In five or ten days only, the
result will surprise you. A few
cents will cover the cost. And here
is why help comes so quickly. Dr.
Shoop doesn't drug the Stomach,
nor stimulate the Heart or Kidneys.
Dr. Shoop's Restorative goes di-
rectly to the weak and failing
nerves. Each organ has its own
controlling nerve. When these fail,
the depending organs must of nec-
essity falter. This plain, yet vital
truth, clearly tells why Dr. Shoop's
Restorative is so universally suc-
cessful. Its success is leading drug-
gists everywhere to give it univer-
sal preference. A test will surely
tell. Sold by all dealers.

THE BRILLIANCY
of the Electric Light is only equalled
by that of the sun. Its merits are of
the utmost stability, and when once in-
stalled there is no more expense than
that for light consumed. So don't de-
lay getting your house wired for Elec-
tric Lights, Telephones or Bells. We
do all kinds of Electrical work, and it
is guaranteed.

Whooping Cough.

This is a more dangerous disease
than is generally presumed. It will
be a surprise to many to learn that
more deaths result from it than
from scarlet fever. Pneumonia
often results from it. Chamberlain's
Cough Remedy has been used in
many epidemics of whooping cough,
and always with the best results.
Delbert McKeig of Harlan, Iowa
says of it: "My boy took whooping
cough when nine months old. He
had it in the winter. I got a bottle
of Chamberlain's Cough Remedy
which proved good. I cannot re-
commend it too highly." For sale
by all druggists.

Take Notice

Complaints are coming in against
parties regarding dirty alleys, mat-
ter from sewers running out into
the streets and alleys, chickens
running at large, and cows not
properly driven through the streets.
All wood, manure and rubbish
must be kept out of the alleys. Keep
same on your lot until hauled away.
Cattle must not be allowed to walk
on sidewalks or on private property.
Owners will be held liable. Sewer-
age or water from drains must not
be allowed to empty into street or
alley. I will strictly enforce the
ordinances. JOE JACKSON,
Marshall.

PLANT WILD BROTHERS TREES

Nothing will improve your property and surroundings and add
to their value and your pleasure at so small a cost as

Shade Trees, Evergreens and Shrubs

Shade trees should form the foundation, with irregular groups
or masses of shrubs against buildings, fences or property lines,
or as borders along walks or drives. The Evergreens add
variety and beauty both winter and summer.

FRUIT TREES should form a part of the planting. Plant early
during favorable weather and they will be better established
when spring growth begins. Almost every home has plenty of
room to grow their own GRAPE, RASPBERRY, STRAW-
BERRY, and other small fruits, Currants, Gooseberries,
Asparagus, etc. Do not delay until the busy season causes it
to be put off another year.

WE EMPLOY NO AGENTS. Send for our descriptive catalog
and buy direct from the nursery.
